The 19th Annual Pat Clarke Celebrity Golf Classic, held this winter, raised \$33,000 for Kids House of Seminole.

"For nearly 20 years our sole objective has been to partner with local nonprofits that are having a dramatic impact on this community by improving the lives of children," says Pat Clarke, the event founder and WESH Channel 2 sports director. "And it is a pleasure for us to partner with such a worthwhile organization whose work is evidenced by the happy and healthy children they have served."
